KNOW BEFORE YOU GO

- About half a mile of neighborhood streets gets you from the park to the dirt. The rest is singletrack and a few short dirt-road links.
- The Circus climbs gently on the way out. Triple T is downhill-only per public trail maps (checked Oct 8, 2026), and this loop rides a short piece of it that way.
- No signs anywhere. Load the GPX before you leave the car, because the network is a bowl of spaghetti.
- Zero shade and no water. From May to September, go at sunrise or don't go.
- Skips Happy Ending on purpose: public trail maps (checked Oct 8, 2026) list it as downhill-only and double black.

RIDE SMART

- **Water:** plan on about 2 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Big Top ride, parked at Mesa Park, West Summerlin / Bear's Best", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
