KNOW BEFORE YOU GO

- Mostly the Bar M Loop dirt road with smooth singletrack on Rockin' A and Circle O. A good first Moab ride or a recovery day.
- BLM asks riders to stay on the marked trails and skip them when they are muddy. Wet clay here turns to cement.
- No shade at all. Carry more water than you think, especially from May on.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Brand New ride, parked at Moab Brands (Bar M) Trailhead, Moab, Utah", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
