KNOW BEFORE YOU GO

- This is the technical one. Toque (Technical) and No Dab are the two rockiest trails at Cliff Shadows, with limestone ledges and steps. Plan on walking a few moves.
- You start by rolling south about half a mile on the dirt path along the edge of the city park, then pick up Toque (Technical) near the Cheyenne end.
- Broken Horn and Big Horn Spur bring you back north on twisty, less ledgy trail, then Middle Earth and Gilmore Cliff Shadows drop you at the lot.
- Every trail here is on BLM's keep-open list. The Buckskin and Buck 2 Broken Horn trails nearby are marked for closure; stay off them.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Clean Sweep ride, parked at Cliff Shadows Open Desert Park trailhead, Cliff Shadows / La Madre Foothills", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
