Clubhouse Laps

Northwest Reno's bike park: a lap of the DG path, then the climbing trails up to ride the Intermediate Flow Trail and the West Intermediate Perimeter Trail back down.

Heads up: Recent rain (0.31 in in 48 hrs). If your tires leave ruts, turn around and save it for another day.

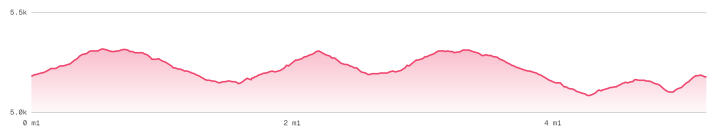

⚠ **Not yet ridden by us.** This line was routed from OpenStreetMap trail data and hasn't been ridden end to end yet. Trail access and direction can change: check posted signs and the land manager before you ride.

GETTING THERE

Park at Sierra Vista Park, clubhouse lot

1985 Beaumont Pkwy, Reno, NV

- City of Reno park on a former golf course. Park by the old clubhouse. The City says the entry gate is open daily from sunrise to sunset.
- Start and finish are the same spot. Follow the cue sheet and the arrows on the map.

KNOW BEFORE YOU GO

- Start easy: the DG path is a wide, smooth loop around the park and a good first lap for anyone new to dirt. Stop after it if that is enough. Trails inside the park are lightly signed, so keep the map handy.
- The climbing trails go up and the flow trails come down. Every jump, berm and drop on the Intermediate Flow and West Intermediate Perimeter Trails is optional; look before you send it, and skip the advanced flow line and Drop Zone unless you know what you are doing.
- The park sits about 4.5 miles from the UNR campus (straight-line distance measured on the map), a short drive.
- The August 2026 Hawk Fire started near Somersett, next to the park. Obey any posted closures.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Clubhouse Laps ride, parked at Sierra Vista Park, clubhouse lot, Reno, Nevada", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
