# Discovery Dash

The beginner lap in the Discovery Zone: ride the Discovery chair, roll the wide green turns of Adventure Trail, and finish on lower Explorer back at Main Lodge.

**Not today:** Snow on the ground (12 in). Soaked: 1.07 in of rain in the last 48 hrs. Riding now ruts the trail for months. Give it a few dry days. Cold (high 41°F). Layers and full-finger gloves.

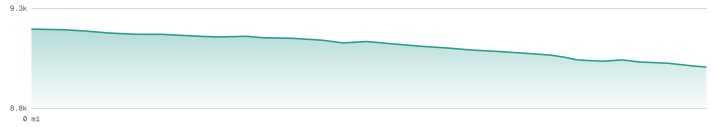

⚠ **Not yet ridden by us.** This line was routed from OpenStreetMap trail data and hasn't been ridden end to end yet. Trail access and direction can change: check posted signs and the land manager before you ride.

## KNOW BEFORE YOU GO

- Lift-served only: the Discovery Chair [11] ride is under 3 minutes and you only ride down. A bike park ticket is required; buy it online or at Main Lodge.
- Adventure and Discovery are the park's easiest (green) trails: smooth and wide. The last bit into the base is on lower Explorer, a blue trail with banked paver turns; take it slow the first time.
- Ride in the direction signed. Helmets are required in the bike park; Class 1 pedal-assist eMTBs are allowed inside the park, other e-bikes are not.
- 2026 hours from the resort map: bike park 9 a.m. to 6 p.m., Discovery chair 9 a.m. to 5 p.m. Hours change after Labor Day; check the Mammoth app or site the day you go.

## RIDE SMART

- **Water:** plan on about 0.5 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Discovery Dash ride, parked at Main Lodge lot, Mammoth Bike Park", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
