KNOW BEFORE YOU GO

- This is the whole McCullough Hills Trail both ways: Anthem to the Mission Drive trailhead and back. It's the easiest way to get 16 miles of real singletrack in Henderson.
- The middle third has the steepest climbs and descents, with switchbacks on both sides of the high point. The east end gets rockier and more colorful.
- Halfway point is the Mission Drive trailhead, which has a restroom and water. Refill there.
- Zero shade except the trail shelters. This is an October-to-April ride; in summer go at dawn or skip it, and carry more water than you think.

RIDE SMART

- **Water:** plan on about 2 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "End to End ride, parked at Anthem Hills Park (Anthem East Trailhead), Henderson / McCullough Hills", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
