KNOW BEFORE YOU GO

- The Perimeter Loop is the warm-up. The Highland Loop is the reason to come: narrow, sometimes loose tread with steep drop-offs to one side in places. Walk anything you are not sure of.
- For an easier, shorter outing, ride only the Perimeter Loop and skip the Highland Loop.
- Washoe County has been improving the Highland Loop with a state trails grant, so expect new signs and possible reroutes.
- The park is about 7 miles from the UNR campus (straight-line distance measured on the map), a short drive. No shade on the hill; bring water.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "High and Hidden ride, parked at Hidden Valley Regional Park, Reno, Nevada", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
