KNOW BEFORE YOU GO

- The gentlest dirt at Bootleg, but still desert volcanic ground: expect loose gravel and the odd embedded rock, not groomed flow.
- POW has one short rocky side-hill section partway down. Scrub speed before it on both laps.
- IMBA is ridden westbound only and POW downhill (southbound) only on this loop.
- Want it shorter? Skip the second lap and roll Par None straight back to the lot.
- Heads up: some trail maps show IMBA ridden uphill and others (checked Oct 8, 2026) list it as downhill-primary. Climb it alert for riders coming down.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Lap Dog ride, parked at Bootleg Canyon Park trailhead, Boulder City / Bootleg Canyon", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
