KNOW BEFORE YOU GO

- Lazy and EZ are mapped as one-way in OSM, and this route rides them that way. Follow the trail signs if they say otherwise.
- Deadman's Ridge has a few rocky moves. Killer B, nearby, is BLM's trail for 'only the most gonzo', and this route stays off it.
- Crosses the paved Moab Canyon Pathway a few times. Watch for road riders.
- No shade at all. Carry more water than you think.

RIDE SMART

- **Water:** plan on about 1.5 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Lazy Daze ride, parked at Moab Brands (Bar M) Trailhead, Moab, Utah", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
