GETTING THERE

Park at McCullough Hills Trailhead

295 E Mission Dr, Henderson, NV 89002

- BLM/City trailhead at the end of the pavement on Mission Drive. Restroom, water and shade kiosk; separate horse lot, so leave that side for trailers.
- Start and finish are the same spot. Follow the cue sheet and the arrows on the map.

KNOW BEFORE YOU GO

- The 601 is the twisty one: lava-rock boulders to weave through and a sandy wash near the north end. The McCullough Hills Trail home is wider and smoother.
- Short spurs off the 601 head into the freeride 'bike park' lines (Nitro and friends). Those are not BLM designated trails; stay on the numbered 601 posts.
- About 0.1 mi of Mission Drive pavement at the very start, then it's all dirt.
- Zero shade except the trail shelters. This is an October-to-April ride; in summer go at dawn or skip it, and carry more water than you think.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Little Richard ride, parked at McCullough Hills Trailhead, Henderson / McCullough Hills", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
