McCoy Cruise

Panorama Gondola to McCoy Station, then Midtown all the way down: berms and paver turns up top, long traverses through the trees back to Main Lodge.

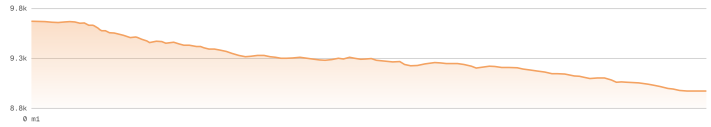

Not today: Snow on the ground (12 in). Soaked: 1.07 in of rain in the last 48 hrs. Riding now ruts the trail for months. Give it a few dry days. Cold (high 41°F). Layers and full-finger gloves.

⚠ **Not yet ridden by us.** This line was routed from OpenStreetMap trail data and hasn't been ridden end to end yet. Trail access and direction can change: check posted signs and the land manager before you ride.

KNOW BEFORE YOU GO

- Lift-served only: ride the lower Panorama Gondola to McCoy Station (9,630 ft) and pedal nothing but the descent. A bike park ticket is required.
- Midtown is an intermediate (blue) trail on the resort map. The resort's intermediate rating means steep slopes, rocks, loose soil and narrower trail; full suspension and knee and elbow pads are recommended.
- About 700 ft of drop over 2.2 miles, from 9,620 ft at McCoy to Main Lodge.
- Several expert and pro lines (Velocity, Chain Smoke, Techno Rock, Twilight Zone) leave the same area near McCoy. Follow the Midtown signs.
- Ride in the direction signed; cutting trails costs you your ticket. Helmets are required.
- 2026 hours from the resort map: lower Panorama Gondola 9 a.m. to 5 p.m. Hours change after Labor Day; check the Mammoth app or site the day you go.

RIDE SMART

- **Water:** plan on about 0.5 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "McCoy Cruise ride, parked at Main Lodge lot, Mammoth Bike Park", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
