KNOW BEFORE YOU GO

- A lower-key loop close to town with steady rolling climbs and a few rocky step-ups.
- Several unsigned social paths cut across this area. Stay on the signed system trails; the cue sheet follows them.
- Red Rock Ranger District trails are shared with hikers and horses, and many were hit by erosion after recent wildfires (Coconino NF). Expect rough, washed-out spots.
- Wilderness borders much of Sedona and bikes are banned in it by law. If a trail sign shows a wilderness boundary, turn around.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Post Office ride, parked at Old Post Trailhead, Sedona, Arizona", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
