KNOW BEFORE YOU GO

- Closed right now: the Hawk Fire closure (Humboldt-Toiyabe National Forest order 04-17-26-01-08, extended Oct 23, 2026) shuts the national forest trails on this ride through Jan 30, 2027, unless the Forest lifts it sooner. Before you go, check the Humboldt-Toiyabe National Forest alerts page or call the Carson Ranger District at (775) 882-2766: the exact closed trails are on the order's map, so confirm yours is open. Once it reopens, expect burn damage, loose soil and missing signs.
- The easiest climb onto Peavine: Keystone Canyon follows an old road grade and Total Recall climbs at a gentle, steady pitch. A few short rocky spots in the canyon are easy to walk.
- Turn around sooner for a shorter ride, or keep climbing Total Recall if you feel good.
- Shared with hikers and dogs, and you may cross dirt roads used by off-highway vehicles. Ride in control and stay on the trail.

RIDE SMART

- **Water:** plan on about 1 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Recall Ramble ride, parked at East Keystone Canyon Trailhead, Reno, Nevada", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
