KNOW BEFORE YOU GO

- About 0.9 mi of quiet Mountains Edge streets in total: out via Grand Sky Ave to the Cowboy 8 trailhead, home via Durango and Cactus.
- Ride Rip & Tear counterclockwise as drawn. Part of it is mapped as one-way in that direction.
- Aiden Quarries is an old access road that dips through several washes; expect a few soft, sandy crossings.
- No shade and no water once you leave the park. Fill up at the park before you roll.

RIDE SMART

- **Water:** plan on about 1.5 L for this ride. There's none on the trail.
- **Signal is spotty.** Tell someone your route and your time back.
- **Emergency:** call 911 and say "Sister Act ride, parked at Exploration Peak Park, Southwest Valley Edge", plus the coordinates from Locate me.
- **Wildlife:** give horses, burros and anything with horns room, and never feed them.
- **Stay on trail.** Desert crust and mountain soil take decades to heal.
